extensive and diversified practice have enabled Dr. J. M. MARTIEN to make various highly important discoveries in the healing art.

In offering his preparations to the human family, Dr. Martien fearlessly hazards the assertion, that they are not only unsurpassed, but not equalled, either for their curative properties, or for mildness, safety and certainty in their operations, by any other preparations compounded for similar purposes, now before the public.

Dr. James M. Martien's Invincible Pills, for the cure of Fever and Ague and all other Fevers, have

cure of Fever and Ague and all other Fevers, have not in a single instance failed to accomplish a perfect cure when the directions have been strictly followed. This medicine has in various violent and desperate cases, effected radical cures, after the pa-tients had been abandoned and their condition proounced hopeless, by medical gentlemen of high

professional character.

DR. MARTIER'S ANTI-BILIOUS VEGETABLE UNIVERSAL LIFE PILLS.—This medicine will certainly remove all impurities of the blood, and is an effectual remedy in many of the complaints which afflict the human system, and for the various pain-ful and vexatious diseases incident to the female sex, no preparations now known to the public are equal to these pills. As a cathartic, they are entirely safe, always efficacious, and operate with unusual mildness: they also act as a cosmetic, and render the complexion clear, rich and fair.
